## FROM THE RECTOR'S DESK:

This weekend's Solemnity of the Most Holy Trinity is not the time to try and explain how three goes into one! The Trinity is not something that we can understand and figure out with our reasoning, intellect or with our brain. We won't understand it until we, please God, enter the gates of heaven. The Trinity is a *mystery* that we are to experience with our hearts not with our heads. When we use the word 'mystery' to talk about and describe the Trinity, we are talking about a reality that is so endlessly rich and profound that it will never be exhausted. The more we contemplate and pray about the reality and presence of the Trinity in our lives, the more of itself will be revealed to us. Through the Trinity, God creates and loves us, Jesus liberates and saves us and the Spirit encourages and strengthens us. The Trinity is a community of love and life that we are invited to be part of share and in. When we look at the news on TV or read the newspaper, we are often presented with news of violence and discord. Sadly, there is division where there could be unity, there is aggression where there could be understanding, and there is suspicion where there could be trust and mutual respect. The Trinity offers us a model of sharing, belonging and community. It also challenges our individualism and our demand that our rights be met all the time. The Trinity asks to be mindful of our responsibilities to those around us in our families, our neighborhood and our parish community. In the Christian tradition, when we begin our prayers, whether as individuals or a community, we do so by making the sign of the cross and calling on the power and presence of the Trinity. We deliberately and consciously ask the Trinity to be part of prayer and our daily life. *Praise and everlasting glory to God the Father, to the Son and to the Holy Spirit through all ages.*

**FIRST FRIDAY'S AT THE CATHEDRAL:** Everyone and anyone is invited to join us on the First Friday of each month (with the exception of July and August) for Holy Mass at 7:30am in the Holy Spirit Chapel followed by a Danish and coffee and a talk given on various topics each month. This First Friday group was established over 40 years ago and has been going strong ever since. Please come and join us! This month, on Friday June 5, Fr. Gary has been asked to give a recap of his recent diocesan pilgrimage to Italy. A compilation of the pilgrimage has been done on video and will be shown to the group. Come and join us!

**CORPUS CHRISTI PROCESSION:** Next Sunday, June 7 is the Feast of Corpus Christi. At the end of the Spanish Mass we will have a Eucharistic Procession. If the weather is good, we will process outside and if the weather is not good, we will process inside the cathedral. For those who would like to attend the procession only, we should begin the procession around 12:30. Come and join us in giving witness to our Eucharistic Lord.

**PENTECOST SUNDAY CONFIRMATION CEREMONY:** With an overflowing Cathedral (standing room only) Bishop Byrne confirmed 90 young (and not so young) men and women together with their sponsors at a beautiful Mass with 8 concelebrating priests.
